Policy is used each week. Thus it could take the employee up to twenty-four (24) weeks to use the entire entitlement of Family Care and Medical Leave.

- An exempt employee's taking Family Care and Medical Leave by the hour is not a violation of the employee's exempt status under the Fair Labor Standards Act.

If leave is taken on an intermittent or reduced work schedule, the County retains the discretion to transfer the employee temporarily to an alternative position with equivalent pay and benefits that better accommodates the employee's leave schedule.

Notification Procedure

You are responsible for notifying your immediate supervisor, in writing, that a leave will be required, the reason for the leave as well as the anticipated duration of the leave. Your immediate supervisor will notify Human Resources, which will provide you with a FMLA Notice.

Human Resources is responsible for compliance with this policy and ensuring that all employees eligible for Family Care and Medical Leave are granted time off in a non-discriminatory manner. Human Resources is responsible for ensuring that you are provided with a written notice detailing the specific expectations and your obligations and explaining the consequences of a failure to meet these obligations. Medical certification is required for leave due to your own serious health condition or that of family member before approving a request for family or medical leave or before an employee may return to work at the conclusion of a leave.

Your immediate supervisor may require you to report periodically (typically every two weeks) on the status of the situation and your intention to return to work. You are responsibly for remaining in contact with your supervisor during your absence.

Pay During Leave

All Family and Medical Leaves of Absences are unpaid. **An employee must exhaust all available and accrued paid leave, including sick, annual and compensatory leave** and then shall be in a leave without pay status for the balance of the twelve (12) week leave period. Any sick and/or annual leave time taken will be regarded as part of FMLA leave. **(Revised 06/9/2014)**

You will continue to accrue sick and annual leave time during an approved leave of absence if you remain in pay status; however, employees taking leave shall not accrue sick and annual leave time while in a no pay status. You are considered to be in a pay status any time the County is paying your salary/wages.

Benefits Coverage

- Montgomery County Government will use reliable, medically accepted methods of screening for drug use and alcohol levels, such as urine screens, blood tests, or other medically accepted procedures.
- Whenever a person is required to submit to a drug or alcohol test, that person's written consent will be obtained before the test. If an employee refuses to consent in writing to a drug or alcohol test, this is considered a violation of policy, and that employee may lose their job.

Tobacco Free Workplace

Montgomery County Government does not wish to regulate our employees' private lives, but it must take steps to protect employees from potential harmful substances. Tobacco is a known health risk that cannot be ignored and Montgomery County Government wishes to promote a healthy and comfortable working environment. Therefore, the County has developed a tobacco-free policy

that promotes wellness and protects our employees. This policy bans the use of products such as pipes, cigars, cigarettes, chew and snuff; spit less tobacco and clove cigarettes **including electronic cigarette (e-cig or e-cigarette), personal vaporizer (PV) or electronic nicotine delivery system (ENDS).**

Use of tobacco is prohibited in all County owned or leased buildings, any area enclosed by the perimeter (outermost) walls of the building, including restrooms, warehouses, storage spaces, garages, bay areas, atriums, balconies, stairwells and other similar building features considered "within a building" under the County's ownership or control. Due to the potential infiltration of secondhand smoke, use of tobacco products is allowed outside all County owned and leased facilities away from entrances and air intakes. County vehicles are covered by this policy at all times regardless of whether they are on County property at the time. **Employees are strictly prohibited from using tobacco products while operating all county equipment, including but not limited to lawnmowers, tractors or any other combustible engines.**

An employee who violates this policy will be subject to disciplinary action up to and including termination. (Revised 6/09/2014).

Code of Ethics

You have an individual responsibility to deal ethically in all aspects of the County's business and to comply fully with all laws, regulations, and policies. You are expected to assume the responsibility for applying these standards of ethical conduct and for acquainting yourself with the various laws, regulations, and policies applicable to your assigned duties.
