I und	erstand that:									
 I must have at least have accrued sick leave in excess of 40 hours in order to be eligible to donate leave. I may elect to donate, in one hour increments, up to 40 hours of sick leave at one time. I can donate more than one time to a single individual as long as it does not reduce my accrued sick leave to less than 40 hours. Leave is used on a "first in, first out" basis when there are multiple donors. Leave that is donated but not used will be credited back to my sick leave accruals. I am donating this leave of my own free will and have not been unduly influenced in any manner to make this contribution.
